ABERDEEN :

BY JOHN FINLAYSON.

TO
THOMAS BLAIKIE, ESQ.,

PROVOST OF ABERDEEN.

MY LORD PROVOST,

THE BON-ACCORD DIRECTORY, for 1842-43, has undergone several alterations with a view to its general improvement.

Without materially abridging the ordinary introductory tables, a Directory to various Public Interests of the City has been added, which will be useful also, as affording information regarding the nature and design of most of our local institutions.

In other respects, the work has been revised ; and altogether, it is hoped that it will continue to be found worthy of your patronage and of public support.

I have the honour to remain,

MY LORD PROVOST,

Your obedient Servant,

JAMES H. WILSON.

ABERDEEN, July 20, 1842.

SECOND WARD.—To consist of that portion of the royalty which is included within the following boundary, viz. :—Beginning at the centre of Union Street, opposite the Back Wynd, and keep-

THIRD WARD.—To consist of that portion of the royalty which is included within the following boundary, viz.:—Beginning at the point where the Millburn crosses Spa Street, near the Steps of Gilcomston; thence along Woolmanhill and Schoolhill to a point opposite the north end of Back Wynd; along Back Wynd southward to Union Street; along Union Street eastward to opposite the head of Shiprow, down Shiprow and Shorebrae, and in prolongation of the termination of the latter to the intersection with the river Dee; thence up the river Dee to the mouth of the burn of Ferryhill, and from the mouth of the burn of Ferryhill, following the boundary of the royalty, to the point on the Millburn, near the Steps of Gilcomston, where the description of the Ward began.—Polling place, at the Water Reservoir, Union Place.

The following parishes are comprhended within the respective Wards.

For every Vessel above the burden of 100 Tons,

There are also two Leading Lights on the Torry side of the river, recently erected. The following are the directions for taking the Harbour by them.

OBSERVE.

1st, These Lights have no reference whatever to the state of the tides, as they are to be exhibited from sunset to sunrise.

2d, But, on certain occasions, when, on account of speats or floods in the river Dee, or from too much sea on the Bar, it is, in the opinion of the Captain Pilot, considered unsafe for vessels to attempt entering the Port, the Lights will not be exhibited.

DESCRIPTION OF THE LIGHTS.

The Lights will be of a brilliant red colour, visible in clear weather at a distance of five or six miles, the one above the other, and are elevated—the one, about 30 feet, and the other, 47 feet, respectively, above high water of spring-tides.

These Lights, when first distinctly visible in coming from the northward, bear W.S.W., by compass—in coming from the southward, due West—and when seen in line, W. by S. $\frac{1}{4}$ S. nearly; and, if the depth of water permit, vessels may run for the Harbour with safety.

James Urquhart, *Keeper*.

HERRING FISHERY.

Various important privileges are granted to Herring Curers and Fishers, by the Magistrates and Harbour Trustees, for the encouragement of this fishery; which will be communicated, and every information afforded, on application to the Town-Clerk, or to Mr. Riddel, Harbour Office, Quay. In general we may state that salt for curing the herrings is imported free of dues; the herrings, when cured, are also exempted from dues when shipped; and ground is given, free, for drying the fishermen's nets.

SHERIFF SMALL-DEBT AND CIRCUIT COURT.

The Small-debt Court was formerly stationary like the Ordinary Court, but by the Act of Parliament 1, Victoria, cap. 41, Circuit Courts, for the trial of Small-debt cases (actions for sums under £8 6s 8d), are established in addition to the ordinary Small-debt Court; and the Sheriff is ordained to divide the county into districts, and hold a certain number of Courts in each annually.

Appeals against the Sheriff's judgments in these Courts are not competent, unless on the ground of corruption, malice, or oppression on the part of the Judge; and the decrees may be immediately put in execution by arrestment or poinding; imprisonment for small debts being abolished. Written proceedings, or the assistance of professional men are not allowed, unless with leave of the Court.

The Ordinary Small-debt Court at Aberdeen is held on Thursday, at Ten o'clock, A.M., *weekly*, during sessions of the Court, and once or twice during vacation.—John Grant Leslie, *Clerk*.

The Circuit Small-debt Courts are held at Tarland, Inverury, Huntly, Turriff, Old Deer, and Fraserburgh once every three months.

James Watt, Old Deer
Arbuthnot Knox, Peterhead

It is optional to creditors to cite their debtors either to the district court of their domicile, or to the head court at Aberdeen.

BURGH OR BAILLIE COURT.

The jurisdiction of the Magistrates (Provost and Baillies, though it is a Baillie that usually sits in Court) is equal to that of the Sheriff within their territory—the royalty of the Burgh—but it is not *exclusive* of the Sheriff's authority, except, perhaps, in questions strictly belonging to the police of the burgh, which more properly pertain to the Magistrates.

Thomas Blaikie, *Provost*.

„ James Forbes

Baillie Lewis Crombie

James Simpson, *Legal Assessor*.—A. and J. Cadenhead, *Procurators-Fiscal*.—Town-Clerk, *Clerk*.—Town-serjeants, *Officers of Court*.

The Court day is Saturday, at Eleven o'clock, A.M., during the same sessions as the Sheriff Court.

JUSTICE OF PEACE COURT.

The office of Justice of the Peace was introduced into Scotland in 1609. As signified by their name, the Justices judge in riots and breaches of the peace—they enforce the laws against beggars and vagrants—the game laws—and, with the Commissioners of Supply, they regulate the highways, bridges, and ferries. The execution of various penal statutes, revenues, laws, and others, is also committed to them. The quarter-sessions are held on the first Tuesday of the months of March, May, August, and last Tuesday of October. Special sessions are occasionally held.

Francis Gordon, *Clerk*.—John Grant Leslie, *Depute*.
John D. Milne, *Procurator-Fiscal*.

POLICE COURT.

This is a Criminal Court, constituted under the Aberdeen Police Act (14th May, 1829), for the trial of offences against the Act, breaches of the peace, theft under the value of £10, reset, fraud, &c. &c. It sits daily in the Old or Baillie Court-house, at Eleven o'clock, A.M.

The Sitting Magistrate, *Judge*.

A. & J. Cadenhead, *Procurators-Fiscal*.—Town-Clerk, *Clerk*.

* * All the Courts, except the Baillie and Police Courts, meet in the New Court-house, Castle Street. The Sheriff, Commissary, Justice of Peace, and Small-debt Clerks' Offices are in the Record Hall, 27, King Street. Printed votes and proceedings in Parliament passing between places in the United Kingdom, and between the United Kingdom and the Colonies, when conveyed by packet, but not through France nor to the East Indies, are charged—

Not exceeding 4 oz. 1d

Exceeding 2 oz. and not exceeding 8 oz. 2d

Exceeding 4 oz. and not exceeding 12 oz. 3d

and so on in proportion. Pre-payment optional.

Postage stamps are sold at the Post-office, and the Stamp-office.

Price—Labels, 1d. and 2d. each

„ Covers, 1½d. and 2½d. each

Letters bearing stamps in value equal to the amount of postage chargeable according to the first or “prepaid” column of the above scale, will be delivered free in any part of the United Kingdom. In cases, however, where stamps of a less value than the rate exigible have been used, the letter is chargeable, on delivery, with double the amount of such difference. For instance, a letter posted exceeding half an ounce and under one ounce, upon which a penny label has been put, will, on delivery, be charged twopence, being double the difference betwixt the label used and the proper one for the weight of the letter, which ought to have been adopted—the public being, in this case, mulcted one penny extra.

Stamps may be used for printed votes, Parliamentary proceedings, and on Foreign, Colonial, and ship letters proceeding *outwards*; but their use is prohibited from the Colonies or Foreign ports.

Letters for Foreign countries, and places beyond seas, having an insufficient number of stamps, will not be forwarded, but sent to the Dead-Letter Office to be returned to the writer. And the same principle is applied to letters for Foreign countries, *prepayment* of which is required, when left at any Post-office with less than the full amount of such postage.

Members of each House of Parliament are allowed to receive, by the post, petitions and addresses to her Majesty, and petitions addressed to either House of Parliament, *not exceeding thirty-two ounces in weight, exempt from postage, provided such petitions and addresses be sent without covers, or in covers open at the sides.* Should they exceed that weight, they will not be required to be prepaid, but are charged according to their weight as unpaid letters with double the rates of postage to which, if prepaid, they would be subject.

SHIP LETTERS.

Letters conveyed by *private* ship to places beyond seas (East Indies included) are liable to a rate of,

Under ½ oz.	0s	8d
Above ½ oz. and under 1 oz.	1s	4d
Above 1 oz. and under 2 oz.	2s	8d

and so on in proportion.

FOREIGN LETTERS.

Letters to *France* may be posted *unpaid*, leaving both British and French rates of postage to be paid by the receiver; or the British rate may be paid to Calais; or both rates, British and French, to destination.

The British rate to Calais is calculated—

Not exceeding $\frac{1}{2}$ oz.	0s 10d
$\frac{1}{2}$ oz. and under 1 oz.	1s 8d
1 oz. and under 2 oz.	3s 4d
2 oz. and under 3 oz.	5s 0d

and so on at the uniform rate of 1s. 8d. for each additional ounce. And the French rates, varying according to the subjoined list, are calculated on the following principle, viz. :—

Under $\frac{1}{4}$ oz.	1 rate
$\frac{1}{4}$ oz. and under $\frac{1}{2}$ oz.	2 "
$\frac{1}{2}$ oz. and under $\frac{3}{4}$ oz.	3 "
$\frac{3}{4}$ oz. and under 1 oz.	4 "
1 oz.	5 "

and an additional rate for *each* $\frac{1}{4}$ oz. in weight. This principle is acted upon in charging letters forwarded "*via Marseilles*," whether addressed by French packet or monthly closed mail.

EXAMPLE.—The British rate for a letter under $\frac{1}{4}$ oz. to Calais is 10d., and the French rate from Calais to Paris is also 10d. ; hence,

REGISTRATION OF LETTERS.

Since January, 1841, a system of registration has been in operation applicable to all descriptions of letters.

Letters intended for registration must either be stamped or pre-paid, and presented at the Post-office at least 30 minutes before the closing of the letter-box for the particular mail by which it is to be despatched.

The British registration fee is 1s. and must always be paid in money, and at the time of registration.

In the case of Foreign, Colonial, or Ship letters, registration extends to the port of despatch in the United Kingdom only.

Registration fee on such letters, 1s. and, in addition, the rate of postage to which they may be liable.

Letters addressed to France may be registered to their destination ; and those passing through France, so long as they may remain in the French territory—the former on payment of double the French rate to place of destination, in addition to the British rate and British registration fee, and the latter on payment of the usual postage rate, and 1s. registration fee. It must be observed, however, that such registration does not render the Postmaster-General, or the Post office revenue, in any manner liable for the loss of any such letter or contents thereof.

CONSTITUTION AND OBJECTS OF THE COMPANY.

THIS COMPANY was established at Aberdeen, in the year 1836, for the purpose of making or effecting Insurances of all kinds of Property against Loss or Damage by Fire, Assurances of Single Lives, Joint Lives and Survivorships, Loans on Life Policies, the Purchase and Sale of Reversions, Reversionary Interests and Annuities, Endowments for Children, and generally for all transactions dependent on the contingency of Life.

The Capital of the Company is One Million, divided into 50,000 Shares of £20, but the Directors have power, if they think fit to exercise it, to extend the Capital to £2,000,000, by the creation of 50,000 additional Shares. The present Proprietary consists of nearly One Thousand Partners, of the first respectability and influence—thus affording to parties who transact business with the Company, besides the security of the ample Capital, an undoubted personal guarantee.

The Head Office of the Company is in Aberdeen, where the business is managed by Thirteen Ordinary Directors, elected annually by the Shareholders. There is also a Branch Office of the Company, for Life business only, in London, under a Local Board of Directors; and other Office-bearers and Agents have been appointed in all the principal Towns and Villages in Scotland, and in the North of England, and Ireland.

ADVANTAGES.

I.—FIRE INSURANCES are effected by the Company on the usual terms of other respectable establishments, and Losses are immediately and liberally settled on being ascertained.

II.—In the LIFE DEPARTMENT of its business, the Company holds out very superior advantages—the Tables of Rates, which are varied and extensive, having been calculated, expressly for the Office, from the most recently ascertained probabilities of human life. The Assured are formed into two classes—1st, Those who Assure a stated sum, who are not entitled to contingent additions in Profits. 2d, Those who, by paying a single Premium, not only Assure a stated amount, but also become entitled to participate in the Surplus Fund arising from their own contributions. The Funds of this class are kept separate and distinct from the other accounts of the Company, and the Assured may name Three of their own number to act along with the Ordinary Directors in the management and investment of these funds. The first investigation takes place in 1846.

III.—Premiums may be made payable in any way to suit the convenience of the Assured.

IV.—The Sum Assured may be made payable *to the party at any age fixed upon*, or to his Heirs or Executors, should he die previously.

V.—ONE-HALF OF THE PREMIUMS MAY REMAIN UNPAID FOR FIVE YEARS, from the date of the Policy, to be deducted, with Interest, from the Sum Assured at death, or paid off at convenience.

VI.—No charge is made for Entrance Money.

VII.—Claims are Paid within Three Months after satisfactory proof of death.

VIII.—Loans are made on Policies.

THE Directors of the Commercial Life Insurance Company beg to announce that they are now ready to receive proposals and transact business in all the various branches connected with Life Insurance, Annuities, Endowments, &c.

The Tables upon which this Company propose to act have been formed with great care and labour, after a minute analysis and comparison of the rates of most existing companies. They embrace most of the varied schemes upon which the majority of these companies transact business, at rates as moderate as is consistent with safety both to the Assurer and Assured, and are thus adapted to all classes of the community. They are peculiar in this respect, however, that it is now for the first time proposed by a Scottish Company to extend Life Insurance and Annuities to parties who are paid by weekly or fortnightly salaries, and the working-classes in general, on such terms and upon such principles as present to them strong inducements for availing themselves of their advantages. A set of Tables has been prepared exhibiting the amount to be paid for insuring £100, or purchasing an annuity of £10, by weekly, monthly, or quarterly contributions, as well as by half-yearly and yearly, or single payments, and in accordance with this Table, the Company will insure the sum of £10 and upwards, and grant Annuities of £5 and upwards. Agencies upon this basis have already been opened in many of the towns in Scotland, Negotiations are in progress for opening Agencies in others, and, by this means, the Company hope to foster the proper spirit of prudent accumulation, which has in many quarters sustained the fatal check from the disastrous results of the erroneous calculations or imprudent management of Benefit Societies, and does not receive adequate encouragement from the moderate return afforded by Savings Banks.

The following is a specimen of the Tables of the Company, for Insuring £100 at different ages, divided into yearly, half-yearly, quarterly, monthly, and weekly payments:—

| Age | Weekly | | | Monthly | | | Quarterly | | | Half-yearly | | | Yearly | | |
|-----|--------|----|----|---------|----|----|-----------|----|----|-------------|----|----|--------|----|----|
| | £ | s. | d. | £ | s. | d. | £ | s. | d. | £ | s. | d. | £ | s. | d. |
| 15 | 0 | 0 | 7½ | 0 | 2 | 8 | 0 | 7 | 11 | 0 | 15 | 8 | 1 | 10 | 7 |
| 20 | 0 | 0 | 8½ | 0 | 3 | 1 | 0 | 8 | 11 | 0 | 17 | 6 | 1 | 14 | 4 |
| 25 | 0 | 0 | 9½ | 0 | 3 | 6 | 0 | 10 | 1 | 1 | 0 | 0 | 1 | 19 | 2 |
| 30 | 0 | 0 | 11 | 0 | 4 | 0 | 0 | 11 | 7 | 1 | 3 | 0 | 2 | 4 | 11 |
| 35 | 0 | 1 | 0½ | 0 | 4 | 6 | 0 | 13 | 3 | 1 | 6 | 3 | 2 | 11 | 4 |
| 40 | 0 | 1 | 2½ | 0 | 5 | 4 | 0 | 15 | 5 | 1 | 10 | 6 | 2 | 19 | 9 |
| 45 | 0 | 1 | 5 | 0 | 6 | 2 | 0 | 18 | 0 | 1 | 15 | 5 | 3 | 9 | 5 |
| 50 | 0 | 1 | 8½ | 0 | 7 | 4 | 1 | 1 | 6 | 2 | 2 | 6 | 4 | 3 | 4 |
| 55 | 0 | 2 | 1½ | 0 | 9 | 2 | 1 | 7 | 0 | 2 | 13 | 5 | 5 | 4 | 7 |
| 60 | 0 | 2 | 8½ | 0 | 11 | 8 | 1 | 14 | 4 | 3 | 8 | 0 | 6 | 13 | 2 |

According to this scheme, a person aged 30, by a payment of 11d. a-week, may secure the sum of £100 to his Widow and Family at his death, or by a weekly saving of the very moderate sum of 5½d. may secure to them the sum of £50, subject to no deduction.

A set of Tables has also been prepared, whereby the insured will be entitled to participate in the Profits of the Company, to the extent of five-sixths. The Company in this way offer to the public the combined advantages of a mutual insurance and a proprietary company.

The following is a specimen of the 'Tables, with participation in profits:—

| Age | Premium | | | Age | Premium | | | Age | Premium | | | Age | Premium | | | Age | Premium | | |

We have examined the several Rules and Orders of the General Annuity Endowment Association, and are of opinion they may be safely adopted.

WILLIAM MORGAN,

ARTHUR MORGAN,

Joint Actuaries to the Equitable Society.

27th August, 1829.

THIS Association is established principally to enable persons whose incomes terminate with their lives, to secure Annuities to their survivors, viz.—Male Relatives to the age of 21, Widows and all Female Relatives while they remain *unmarried*. It likewise admits Ladies to be Members. To persons in trade, it holds out additional advantages, as the Annuity cannot be sold or lost, under any contingency, so long as the Rules of the Society are complied with.

Annuities may be secured to Male Relatives for life, if Idiots or Cripples, on payment of Additional Premiums. Fathers may also be nominated, without any additional Premiums, or charge for disparity.

No Member can take more than Six Annuities, of which only three can be granted to one Nominee.

The Premiums of all Members must be paid for five years before their Nominees can receive any Annuities; but the Nominees of those Members who may die previous to the expiration of that time, will be relieved from farther payments on giving notice in writing to the Office of their inability to continue them; the arrears, with 5 per cent. interest thereon, will be deducted from the first Annuities when payable.

All Premiums must be paid in advance, either annually or quarterly, at the option of the Member.

The Disparity Money must be paid either in one payment, or by instalments, as specified at the head of the Disparity Table.

Persons are not required to nominate at the time of their becoming Members, but may do so at any future period, without an extra charge, except for Disparity of Age, on satisfactory proof of health. Should they, being Bachelors or Widowers, marry after joining the Society, and nominate their Wives, the Annuities will then be claimable on the completion of five years from the period of their admission, instead of waiting, as in all other cases, till the expiration of five years from the date of nomination.

Members are entitled to a second nomination, in case of the death of the first Nominee, on proof being given of the health of the party nominating.

In further illustration of the plan to effect so desirable a result from so low a rate of payments, it is necessary to observe that an Annuity ceases to be payable to a Widow on her *remarrying*; but, in case of her becoming a Widow a *second time*, she may receive her Annuity as *before*; other Female Nominees *cease* to be Annuitants on *marriage*; but will be again placed on the Funds should they become Widows. From these contingencies, the number of claimants will *always be few*, in comparison with the number of Members.

There is a separate Fund for Officers of the Army, Navy, and Merchant Sea Service, on full pay, from which Fund their Annuitants are paid.

Thus this Institution recommends itself to all persons who are desirous of making provisions for their Widows, Orphans, and other Relatives, by such small annual payments as will not materially infringe on their domestic comforts.

The Annuities are payable on the 1st December in each year; the Directors are, however, empowered to advance every six months, a sum not exceeding one-half of the expected Annuity, if required by the claimant.

All the Receipts of the Association (after deducting the necessary expenses of management) are invested with the Commissioners for the reduction of the National Debt, on which compound interest is allowed; thereby forming the Capital of the Association.

The Members are formed into eight divisions, paying Annual Premiums for each Annuity, as follows:—

Class A, Members under 25 years, £1 11 6 per annum.

| | | | | | | |
|------|-----------------|---|---|----|---|---|
| " B, | 25 and under 30 | " | 2 | 2 | 0 | " |
| " C, | 30 " 35 | " | 2 | 12 | 6 | " |

| " G, | 50 " 55 | " | 4 | 14 | 6 | " |
| " H, | 55 " 60 | " | 5 | 5 | 0 | " |

And, on first joining the Society, the following payments are required, viz.—Entrance Fee, £1 10s. for each Annuity, with 3s. for the Book of Rules, Policy, and Report. Also, if the Relative is younger than the Member, a charge is made at the time of admission only, for the difference of age.

FOR ADMINISTERING THE VARIOUS SUBSTANCES USED IN MEDICINE FOR THE REGULATION OF DIET AND REGIMEN; AND THE MANAGEMENT OF

By THOMAS ANDREW, M.D.,

Late Surgeon Superintendent in the Convict Department, and formerly Medical and Surgical Assistant at the City and Finsbury Dispensaries, the Lying-in Charity, and the London Infirmary for the Cure of Diseases of the Eye, &c. &c.

LITERARY NOTICES.

Treating, as it does, largely, on the subject of dietetics, a work like this ought to be in the hands of all nurses and heads of families; and to captains of vessels, missionaries, emigrants, or travellers, it must prove invaluable.—*Liverpool Mercury*.

We strongly recommend this work to all who are intrusted with the management of a family.—*Bristol Times*.

Of much utility as a ready and simple guide in medical practice.—*Liverpool Courier*.

In general, every man must be benefited by a knowledge of his own constitution, which causes tend to injure it, and what to restore it. The work before us is eminently calculated to promote these important ends. The most recent and delicate results of medical research are here embodied in simple and perspicuous terms. The various articles of food and medicine are analyzed and their properties explained; while the general structure of the body, and the effects of ventilation, light, exercise, &c. are not the least important, or the least interesting subjects treated.—*Inverness Courier*.

In one respect it is especially to be recommended; there is no quackery about it. It is scientific and yet perfectly intelligible to the plain reader.—*Wiltshire Independent*.

This promises to be a valuable accession to the family and medical library, from the clear and simple nature of its details, descriptions, and directions. From the alphabetical arrangements, the reader can at once lay his hand on any information which he requires, whilst the absence of professional jargon, or parade, enables him to comprehend, at once, the writer's meaning. The author seems to have spared no pains to enrich the text with the most recent and accurate information, so that, even as a work of science and general knowledge, it deserves a place in the par-lour library.—*Reformers' Gazette*.

It gives us much pleasure to speak in high terms of the easy and comprehensive manner in which the medical information in this work is conveyed.—*Weekly Dispatch*.

FORBES M'NEILL & CO.,
MANUFACTURERS OF
IMPROVED PATENT FELT,
FOR ROOFING, &c.

FACTORY, LAMB'S BUILDINGS, BUNHILL ROW.

OFFICE, NO. 31, CLEMENT'S LANE, LOMBARD STREET, LONDON.

TO ENGINEERS, ARCHITECTS, BUILDERS, AND OTHERS.

THE present Manufacturers beg to draw the attention of the above parties to their superior PATENT FELT, for Covering the Roofs of every description of Buildings, whether under Copper, Zinc, Slates, or Tiles.

It is manufactured purposely for securing a perfectly tight roof against rain or snow, as well as resisting the external heat of the sun, from the non-conducting quality of the material. It is composed of much longer and stronger fibrous materials than Roofing Paper; is no dearer, but infinitely more durable; is impervious to wet, and not liable to crack with change of temperature.

It is manufactured thirty-two inches wide, and may be ordered for the length of any building, thereby preventing the necessity of many joinings.

For ROOFING SHEDS, OUT-BUILDINGS, &c., this material is now extensively used, *without any other covering* than a coat of coarse paint or a mixture of pitch and tar, upon which it is well to sift a good covering of sand. This makes a very economical roof, as the timbers may be extremely light.

For Shipping to New Settlements, and to the Colonies generally, for any of the above purposes, it is the cheapest; as well as the most durable, article yet manufactured.

THE PRICE IS ONE PENNY PER SQUARE FOOT.

 Samples sent to any part of the Town or Country, and Orders by Post immediately executed.

AGENT,

JAMES HENDERSON, BUILDER,
120 LOCH STREET, ABERDEEN. **120**

PATENT FELT CARPETING, &c.

THE LONDON PATENT FELT COMPANY beg to introduce to the notice of the public of Aberdeen their New Patent FELT CLOTH, for Bedroom, Carpets, Carpet-covers, &c. of which a few pieces, of Select Patterns, have been consigned to Messrs. ALLAN & MACALLAN, 121, Union Street, through whom the Public may be supplied to any extent, on short notice. This Cloth is 4 feet wide, from 3s. 2d. to 3s. 6d. per yard, rich colours, and very durable.

The Company also intend soon to bring out a New Style of Felt Carpeting, in the finest Brussels Patterns, twice the width of Brussels, at about 5s. 6d. per yard. It has Short Nap, is stouter than Brussels, and having no threads, will wear much better.

PRINTED and EMBOSSED TABLE-COVERS may also be had in every variety of colour, at a price much lower than the Cloth Covers in the same style.

R E S P E C T F U L L Y solicits public attention to his very large Stock of BEAVER, STUFF, and SILK GOSSAMER HATS, suitable for the Season, being of a light and durable make, and have a soft and easy feel to the head—very different to many hats sold now-a-days, which have a hard, harsh feel to the head, and thus bring on headach, which should at all times be carefully avoided—for, alas! headachs are too often the cause of many dangerous complaints of the head; consequently, to have

is a study well worth the attention of Hat-wearers generally; and, from the extent of S. M.'s trade, and also from the fact of his Hats being manufactured

he can with confidence assert that, for variety and style of shape, durability and pleasantness in wear, and last (but certainly not least), moderate prices, his Hats may be considered unrivalled in the North of Scotland; and, in short, his Establishment may well be termed

T H E H A T S H O P O F T H E N O R T H.

Individuals who are in the habit of wearing 12s. or 15s. Hats, and would like to be surprised with low prices, can have that feeling gratified by looking at S. M.'s 10s. and 12s. 6d. qualities.

S. M. having reason to suppose that there is a class of the Public who think an article cannot be good unless it costs a high price—for instance, they imagine a Hat cannot be good unless charged from 25s. to 28s., and for this reason, they frequently view reading

like so much lost time—to such persons, S. M. would (with due respect) merely invite an inspection of his Stock, particularly of his GOSSAMER BEAVER HATS, at 21s., as, by so doing, he feels satisfied that these erroneous impressions will *at once and for ever be erased from their minds.*

Just got to hand,

A splendid assortment of the New FRENCH HATS, of those *neat, tasteful, and becoming Shapes*, which it has ever been S. M.'s study to produce, and which have gained so much celebrity to this Establishment.

* * A large Stock of CAPS.

These he would recommend as worthy of inspection; likewise, he flatters himself that, in his Warehouse, No. 53, will be found an assortment that, for material and workmanship, cannot be excelled in town.

Being now, he presumes, after considerable experience, able to turn out a Trap of equal quality, in every respect, to any of the Fifeshire makers, he will be glad to send a few, on approval, to any Gentleman or Gamekeeper who may be in want of them.

C. P. can with confidence recommend his present Stock of FISHING-TACKLE, consisting of London-made Rods ; as also, of his own manufacture, Reels, Lines, Flies, Silkworm, Gut, Dublin and Addlington's Hooks ; Mackintosh's Waterproof FISHING-BOOTS, TROUSERS, and STOCKINGS.

THE "EARL OF ABERDEEN" COACH.

ABERDEEN AND TARVES.

NOTICE IS HEREBY GIVEN, that the "EARL OF ABERDEEN" COACH will continue to run as formerly. It leaves the House, No. 26, NORTH STREET, every TUESDAY afternoon, at *half-past Two o'clock*, and on the afternoons of FRIDAYS and SATURDAYS, at *Four o'clock*. It also leaves IRONSIDE'S INN, TARVES, on the mornings of every MONDAY, FRIDAY, and SATURDAY, at *half-past Seven o'clock*.

This Coach has now served the Public upon that road for about twelve years, and during that time they have had ample opportunities of knowing how she is conducted. The Proprietor, ANDREW JAFFRAY, would embrace this opportunity of returning his best thanks to his friends, and of saying that he trusts to their continued support, now that a Coach has been started in opposition. He will leave it to the Public to say which of the two is the most deserving of support.

N.B.—A former advertisement was inserted in the *Journal*, to the effect that the "EARL OF ABERDEEN" Coach was to be withdrawn. This was on account of the reluctance which the Proprietor felt to run a Coach in opposition, where there is no room for two. He, therefore, made offer of the Coach, &c. to the parties who have since started the opposition one, at a price which was thought cheap by an experienced Coach-builder ; they only offered about half the value, however, and he has therefore resolved to carry on.

Aberdeen, 26, North Street, 12th July, 1842.

ABERDEEN TO METHLIC.

NOTICE IS HEREBY GIVEN, that the fine Light-horse COACH to METHLIC, starts from the Royal Mail and General Coach Office, 65, UNION STREET, every TUESDAY afternoon, at half-past Two o'clock, and on the afternoons of THURSDAY, FRIDAY, and SATURDAY, at Four o'clock, leaving GRANT'S INN, METHLIC, every MONDAY, WEDNESDAY, FRIDAY, and SATURDAY, at half-past Six morning.

In consequence of an advertisement which appeared in the *Aberdeen Journal*, by Mr. Jaffray, proprietor of the Earl of Aberdeen Coach, making offer of his Coach, &c., for sale, ALEXANDER NICOL & Co., offered to take the same at valuation, by men mutually chosen. This was refused by Mr. Jaffray, who demanded a very exorbitant sum.

ALEXANDER NICOL & Co., in hopes of receiving sufficient encouragement and support, resolve to place their Coach on the road, in order to serve the public with a first-rate Conveyance, and in a civil manner.
